

## Guidelines & Limitations:

- Coupons must be for products sold at Menards® and must be presented at the time of purchase.
- Only one coupon per item. For example, you cannot use a Manufacturer Coupon and a Menards® Coupon on the same item.
- Item purchased must be identical to the coupon (size, quantity, brand, flavor, color, etc).
- Manufacturer Coupons and Competitor Coupons will be enforced per the individual rules and regulations on the coupon. For example, coupon states, "Limit one coupon per purchase," which means that one coupon can be accepted per item, not transaction.
- There is no limit on the number of coupons per transaction.
- All coupons must have an expiration date and be presented within the valid dates. Expired coupons WILL NOT BE ACCEPTED.
- Coupon amount may be reduced if it exceeds the value of the item after other discounts or coupons are applied. We cannot give cash back if the value of a coupon is greater than the purchase value of the item.
- All applicable sales tax will be paid by the Guest at the full value of the item.
- Any coupons stating, "Not valid with any other discount or offer" will not be valid with sale priced items.
- Menards® does not discriminate on pricing. We charge the same low price to all without regards to race, creed, age, or occupation.

**Menards® reserves the right to accept or refuse coupons at their own discretion.**
